THE TECH

VOL. XXVI. No. 39 BOSTON, MASS., MONDAY, DECEMBER 31, 1906 PRICE THREE CENTS

TECH LOSES GAME.

Worcester Polytech Wins by Superior Team Work.

By superior team work the basketball team from Worcester Tech defeated the Institute team on the Friday evening before the vacation at the Gym, the score being 33 to 24. Tech went into the contest with a crippled team, Wentworth being out with water on the knee, while Kinnear was off in his game on account of an old injury. It is doubtful, however, if the Institute team in its full strength could have won against the wonderfully quick and clever passing of the visitors. If the Worcester boys had been better acquainted with the floor and the baskets, their score would have been doubled.

In the first half the home team started off with a rush, but Worcester came back strong. For the first 10 minutes of play the score was even, but as the Worcester five began to get into their team play, the score piled up in their favor, it being at the end of the half, 15 to 7.

In the second half Worcester started a scoring bee in which they added 17 points in short order to their total. Then the Institute team braced and played fast up to the last minute of play, adding 17 points to their score in about two minutes.

For Tech, Bitler and Nichols put up the best game, while Campbell, a man new to basketball this year, played an excellent game during the short time he was on the floor. Among the Worcester players the honors were divided more evenly, every man participating in the scoring. Peters was, however, the man on the spot, his shots in the most part being spectacular and difficult. Wholeau and Lawley were the other Worcester men that distinguished themselves in the play.

In the first half the A. A. U. rules being used, the Institute players were much handicapped thereby, but they had a chance to get back in the second period when the intercollegiate rules were used.

The summary:

WORCESTER.	TECHNOLOGY.
Peters, l.f.	r.g., Cahill
Fitzpatrik, r.f.	l.g., Nichols
Lawley, c.	c., Pierce (Campbell)
Wholeau, l.g.	r.f., Bitler
Pease, r.g.	l.f., Kinnear

Score—Polytech 33, Tech 24. Goals from floor—Nichols 2, Wholeau 4, Peters 4, Pierce, T. Fitzpatrick 3, Pease, Lawley 3, Kinnear 2, Bitler 4, Cahill, Campbell. Goals on free tries—Cahill 2, Lawley 3. Free tries missed—Cahill 2, Fouls called — Lawley 3, Bitler, Nichols 2, Fitzpatrick. Referee—Whitmore, Tech. Umpire — Denney, Worcester. Timer — J. Mahan. Time — 20-minute halves. Attendance—150.

HOCKEY TEAM WINS.

Tech defeaed Newton High at Braeburn, Friday morning, in a fast game, 4 to 0. The ice was in good condition. Tech showed fine team work and had the puck in Newton's territory throughout the game. Tech lined up as follows: Forwards, O' Hearn, Gould, Coleman (Coupal), and Kelly; cover point, Leavens; point, Tylee (Davis); goal, Sharp (Billings).

ALUMNI ELECT OFFICERS.

Will Hold Annual Meeting at Hotel Brunswick January 18.

Announcement of the annual meeting and dinner of the Alumni Association has just been given out. The meeting this year will be held at the Hotel Brunswick on Friday, January 18.

The guests will be President Pritchett; Hon. Eben S. Draper, Lieutenant Governor; Dean Wallace C. Sabine, of the Lawrence Scientific School; Frederick P. Fish, of the Corporation; and Prof. Dugald C. Jackson, of the Faculty.

With the announcement of the dinner is given the result of the alumni vote in the second election of candidates for term members in the Corporation. From the eight nominees whose names were on the ballot, the five who received the largest number of votes were: George W. Kittredge, 77; Frank B. Stantial, 79; Eleazer B. Homer, 85; George E. Hale, 90; Leonard Metcalf, 92. 809 votes were cast in all.

In the general election of officers the following were named: President, E. Morss, '85; Vice-President, E. G. Thomas, '87; Secretary, W. Humphreys, '97; Executive Commmittee, A. G. Robbins, '86, L. Metcalf, '92; Nominating Committee, R. A. Hale, '77, G. V. Wendell, '92, W. E. Piper, '94; Committtee on School, J. O. DeWolfe, '90; Trustee Alumni Fund and Life Membership Fund, E. C. Miller, '79; Committee on Associate Membership, L. P. Kinnicutt, '75, H. E. Clifford, '86; Advisory Council on Athletics, J. L. Batchelder, Jr., '90.

DOING GOOD WORK.

A circular recently issued describing the work done in the past two months by the Technology Christian Association shows that the movement has become one of the leading factors in the Institute life. The increase both in size and influence of the association in the past two years has been most remarkable. The report shows that through the information bureau at the first of the year, 75 men secured suitable rooms, 20 men secured employment, and a large number received information in regard to registration and other matters. In the securing of rooms, the men had a list of over 150 carefully selected rooms to pick from, all of these rooms vouched for and highly recommended.

Thirteen hundred handbooks were given out, which means that that number of students were registered on the Y. M. C. A. cards. Through the list thus obtained 800 men were introduced to the churches of Boston. At the present time there are nearly two hundred Tech men taking up Bible study under the auspices of the Tech Association, although the report only gives 125. The work is being held back rather from lack of leaders than from the lack of students to make up the classes. The budget for the year shows that the association expects to expend nearly $1200. This is used in part in the Bible study work,

(Continued on Page 3.)

MANAGERS ELECTED.

Athletic Association Elects Fencing and Assistant-Track Managers.

At a special meeting of the Athletic Association held in Huntington Hall on the Friday before vacation the assistant manager of the Track Team and the manager of the Fencing Team were elected for the coming year. The position of assistant manager of track has been open to competition since the beginning of the year. Only three men reported to Manager Tobin, G. L. Lawrence, Jr., R. M. Keeney, and H. Sharp, all '09 men. These men have been working under the direction of Tobin, and their ability and efficiency noted. Tobin read a report on the work done by the men, and, as he had made the better showing, Keeney was elected by a large majority.

Captain Bounetheau of the Fencing Team spoke shortly on fencing and gave out that A. G. Place, '08, had been selected by the team as manager. He asked for official sanction of the election, and Place was elected on a single ballot.

Manager Tobin then gave out the schedule of the Track Team for the winter and spring seasons. The contests are as follows: Interclass Meet, January 8; relay race against Holy Cross at the B. A. A., February 16; dual meet with Holy Cross at the Tech Gym, March 6; spring class games, April 28; dual meet with the University of Maine at Orono, Me., May 4; dual meet with Brown at Tech Field, May 11; New England Intercollegiate Championship Meet, May 17-18. Besides these varsity meets, the team will be entered in a number of the open meets around Boston, notably in the Newton open meet, and that of the Lawrence Light Guards at Medford.

DISCUSS SONG BOOK.

At a large and enthusiastic meeting of the Senior Class held on Friday, Dec. 21, arrangements for Class Day and for a new Song Book were discussed.

Chairman Robbins of the Song Book Committee gave a report of the work which the committee had accomplished. It had been thought best to retain only twenty-six of the songs in the old book and to include in the new a number of well known college songs and three or four of the Tech Show songs which have proved most popular. A question as to whether the Alma Mater songs of the principal colleges, as "Fair Harvard," "Old Nassau," etc., should be included was decided in favor of such songs as the committee should deem desirable. The class then gave the committee authority to go ahead and publish the book.

A long discussion of the election of the Class Day Committee followed. It has hitherto been the custom to put the whole Senior Class on nomination; the twenty-five men receiving the greatest number of votes comprise the committee and those three receiving the highest number of votes become marshals. A motion that in

(Continued on Page 4.)

CALENDAR.

MONDAY, DECEMBER 31.

1.00 P. M. Meeting of the Board of Editors of THE TECH in 30 Rogers.

4.00 P.M. Banjo Club Rehearsal in 33 Rogers.

4.00 P.M. Mandolin Club Rehearsal in 31 Rogers.

4.15 P.M. Glee Club Rehearsal at the Union.

TUESDAY, JANUARY 1.

4.00 P.M. Junior Prom Committee Meeting in the Trophy Room.

FACULTY NOTICE.

First Year.—First year students are expected to take at the end of the present term all entrance examinations in which they have not already clear records, with the following exceptions:

1. Special students taking no work dependent on such entrance subjects. Such students if they desire to become regular may take remaining entrance examinations in June or September; this applying particularly to entrance French, German, and Physics.

2. Students who are now making up entrance French and German by taking the elementary course.

3. Students entitled to excuse from particular entrance conditions on the basis of good term work. This applies to conditions in entrance Algebra, English, French, German, and Plane Geometry, and students will be notified if excuse can be given.

NOTICES.

Banjo Club.—The next rehearsal of the Banjo Club will be on Monday, December 31, at 4 P.M.

Prom Committee.—There will be a meeting of the Junior Prom Committee in the Trophy Room Tuesday, January 1, at 4 P.M.

Ohio Club.—There will be a dinner at the Ohio State Club at the Tech Union, Wednesday. January 9, 1907. Full attendance is desired.

Co-eds at the University of Minnesota will organize a hockey team for the coming season. Several of the athletically inclined recently asked the president of the athletic board for permission to use the grounds on Northrop Field, when it is flooded for the use of the men's hockey team. Permission was granted.

Soccer has been considered one of the strenuous sports for men. Now come the women, and Bryn Mawr College girls at that, into the game. The Belmont Cricket Club girls, always on the lookout for anything new in outdoor sport, met the college girls this week in Philadelphia. No advance notice of this contest was sent out, hence one has to take the word of the girls themselves as to how far the ball was kicked and how the goals were scored. The fair contestants voted it royal sport, and a deciding game is to be arranged to play off the tie. Just when this game is to be played has not yet been decided.

THE TECH

Published every Monday, Wednesday, and Friday during the college year (from September to June), by students of the Massachusetts Institute of Technology.

Entered as second-class matter October 6, 1904, at the post office at Boston, Mass., under the Act. of Congress of March 3, 1879.

Monday, December 31, 1906.

"The old year looks shaky." Let it shake! Just at present our thoughts are with the new year and—mid years. Here's wishing you all the best of success, not only at this strenuous period, but throughout the year.

The informal report of the progress of the Y. M. C. A. which is printed in another column, shows that the association has made wonderful progress in the past few months. The success is due in no small amount to the efficient work of the college secretary, Don S. Gates, and THE TECH wishes to congratulate him on that success, and to wish him continued success in the New Year.

Faithful Service Needed.

In the past two years Technology has won only one dual track meet — and that victory was not much of a credit. The fault does not lie with the training nor with the efforts of the managers and captains. There has been a lack of interest on the part of the students of the Institute—a lack of that interest which wins victories. This year Technology has one of the best track meet schedules that it has ever had, and the making or the unmaking of the Institute in intercollegiate athletics will depend upon this year's success. Tech men have now to face the fact that the Institute is not considered by other colleges as much of an opponent in track work. A series of well-earned victories this season will place Tech where it rightly belongs — among the leaders in college athletics. There are three dual meets on the schedule and it will require some good, hard work to win them. Indoor work begins in earnest this week, and next week the Indoor Class Meet comes off. Holy Cross will be met at the Gym early in March, and in the spring the University of Maine at Orono, and Brown at the Field. There are a good many men at the Institute who have ability, and nothing but lack of interest—which is a polite way of saying "presence of laziness"—has kept them from helping along the athletic reputation of the Institute. It is to be hoped that these men will wake up and come out for the team, and that the old men, who have been so faithful, will continue their good work. The Institute needs faithful service just now.

CELEBRATE XMAS.

Some 200 men who did not go home for the holidays were entertained at the Tech Union Christmas Eve, at a reception given by President and Mrs. Pritchett and Mrs. William B. Rogers. Dr. and Mrs. Pritchett were not present, as Dr. Pritchett was ill in New York. Dean and Mrs. Burton, Professors Sedgwick and Bartlett, Mr. and Mrs. Rand, and Mr. and Mrs. Mixter were present. Three of the performers from Keith's Theatre gave an excellent entertainment, Cal Stewart giving his monologue and song act, and Kelly and Hollis giving a short comedy sketch, "College Boys" After refreshments were served the Bursar assumed the role of Santa Claus and distributed the gifts from the Christmas tree, which was beautifully decorated.

DOING GOOD WORK.

(Continued from Page 1.)

and for the secretary's salary, but the mission and social work, the weekly meetings, and the cost of sending a delegation to Northfield are included.

A great part of this great success is due to Don S. Gates, the college secretary of the association at the Institute. He has put the work upon a practical business basis, has striven to make the association for everyone, and to infuse new spirit into the work. The weekly meetings have been better attended each time, and have had before them better and better speakers. Some of the future speakers will be Dr. A. A. Stockdale of the Berkeley Temple; Rev. James Alexander of the First Presbyterian; and Rev. John H. Dennison of the Central Congregational Church.

Little comment can be made upon the handbook as nearly every Tech man has one. When the book was made a strictly Tech affair, it supplied a want that had been keenly felt by all new men. This book was compiled entirely by Don S. Gates.

Mr. Gates wishes the men to realize better just the work that the Bible study classes are doing. In these classes the subject is not approached in the old-fashioned, prayerful manner of the Sunday school Bible class, but is approached from the common sense, practical side. The study of the book is taken up to give the men in the classes better information in regard to a book that has had such a great place in shaping the life of the English race, as well as the literature of our tongue. He also calls attention to the benefits that the men have received from the Y. M. C. A. work at the opening of the year, and asks for a hearty reciprocation.

MAJESTIC THEATRE.

Bertha Kalich in "The Kreutzer Sonata" will begin her second and last week at the Majestic Theatre this evening with prospects of drawing crowded audiences. Mme. Kalich's acting has met with quick appreciation. In this play it is shown to greater advantage than in her former offerings. The play is powerful in its picture of the disintegration of a Russian Jewish family under American influences.

TREMONT THEATRE.

"Coming Thro' The Rye" has conquered Greater Boston and bids fair to break all attendance records at the Tremont Theatre, where it is entering upon its last week. That it deserves all its popularity goes without saying as all who have witnessed the merry laughing musical play have pronounced it great. It is full of song hits. The comedy is clean and wholesome.

DISCUSS SONG BOOK.

(Continued from Page 1.)

voting those three men desired for marshals should be so designated was lost. It was then voted that the committee of twenty-five should first be chosen; then the three marshals chosen from this committee.

President Allen then said that the class would follow out the old custom of attending Keith's on New Year's Eve and that the following committee would be in charge of arrangements: H. S. Wonson, J. M. Frank, G.S. Gould, O. H. Starkweather, S. R. Miller, J. L. Leavell, and E. H. Packard. Men who wish tickets should procure them from one of the above committee as early as possible today.

The following men were appointed on the Class Day ballot committee: H. S. Wonson, chairman; C. H. Howe, L. P. Russell, and S. R. Miller. Mr. Robbins of the Portfolio Committee stated that the contract for senior photographs had been awarded to Notman, 384 Boylston Street.

As to the caps and gowns, nothing further of a definite nature has been done. A committee of three from the Senior Class held a consultation with the Faculty in regard to the matter on Friday afternoon, but no definite decision was reached.
